

## ENVIRONMENTAL POLICY

Protectorglaze Limited is committed to honouring our Environmental responsibilities and obligations by: -

- Complying with all pertinent Laws and Regulations
- Working to prevent pollution
- Achieving our Environmental objectives
- Working to continually improve of Environmental perception and performance.

**We work consistently to:**

Set annual environmental objectives and targets, and monitoring performance

Encourage sub-contractors, designers and suppliers to adopt environmental policies and management systems that are satisfactory to us

Communicate with local communities and others with an interest in our environmental policies, plans and performance

Train employees and promote environmental awareness and commitment

Monitor and review environmental procedures and auditing compliance to ensure standards are being maintained whilst highlighting potential areas for improvement

Reduce the environmental impact of our work and their effects on their local communities by adopting reasonable controls for preventing air, ground, water or noise pollution and keeping sites clean and tidy

Make use of opportunities to minimise waste and to reuse or recycle materials

Keep abreast of and complying with legislation, regulations and codes of practice on environmental matters relevant to our operations
